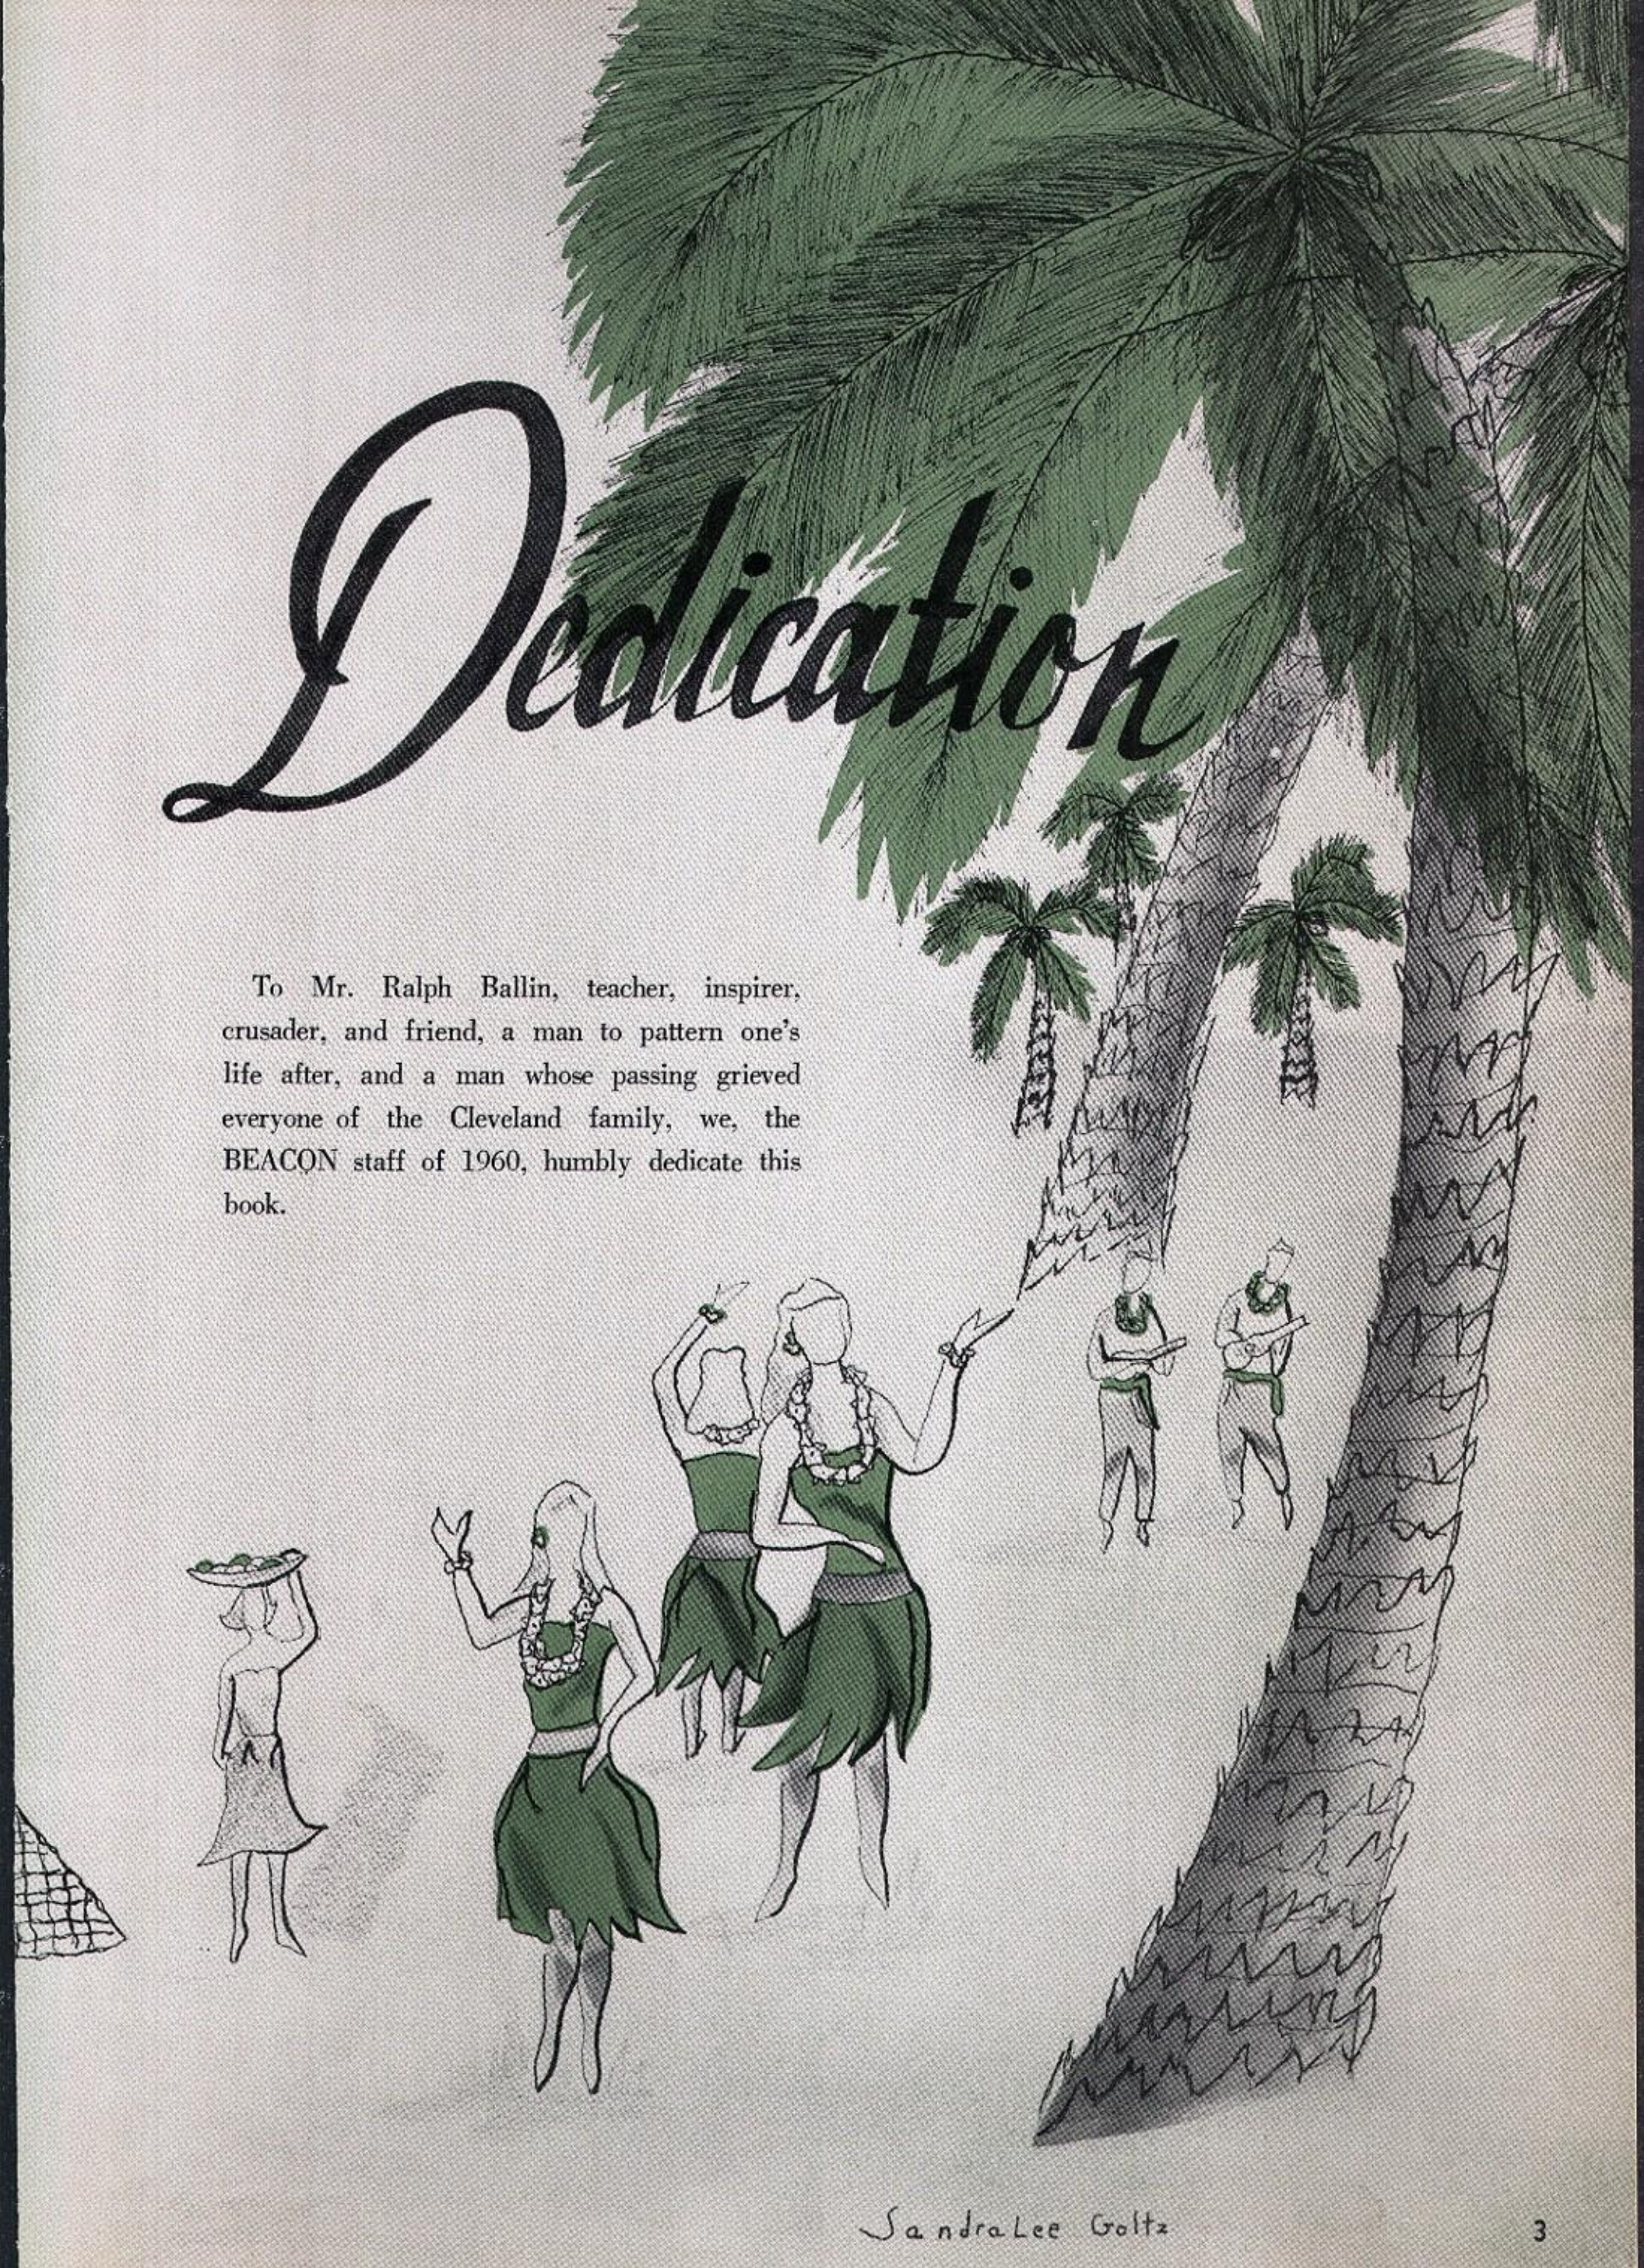
Dedication

To Mr. Ralph Ballin, teacher, inspirer, crusader, and friend, a man to pattern one's life after, and a man whose passing grieved everyone of the Cleveland family, we, the BEACON staff of 1960, humbly dedicate this book.



Sandra Lee Goltz

Forward

The Beacon Staff has chosen "Hawaii" as its 1960 theme. This sun-drenched fiftieth state is representative of America; it is a melting pot of many peoples working together in a democracy; it is a symbol of successful brotherhood. Hawaii is also important as a bridge between North America and the many mysterious lands of the Orient. It is a bridge of trade, culture, ideas and ideals. With this 1960 Beacon, we salute our island republic on its newly acquired statehood.

TO THE CLASS OF JANUARY 1960

Congratulations to you, our seniors, on your completion of twelve years of education. I trust that you did not consider it as a misfortune to be endured during your childhood, but rather that it was a part of the development of your highest powers, and that you will continue your education throughout your lives.

TO THE CLASS OF JUNE 1960

An artist makes himself an artist by painting, a musician makes himself a musician by playing, and an athlete becomes an athlete by mental and physical conditioning. The acquisition of these skills, among a few, and those in the academic areas were the objectives of your teachers. It was in the wholehearted application and practice of knowledge gained that you became proficient. It is our hope that your education here achieved its high purpose of training you to train yourselves.

The Key Club is a service club, sponsored by Kiwanis, and composed of some of the "key" boys at Cleveland. As service projects this year, we donated gift baskets of groceries to needy families, helped make out study hall assignments, and distributed book covers in school. Much of the money for service projects comes from our annual Key Club-Faculty basketball game, which was quite successful this year.

On the more frivolous side of life, Key Club members enjoyed a hayride last fall; and are looking forward eagerly to the Missouri-Arkansas District convention, to be held in Little Rock this year; and to the annual "Parents' Appreciation Banquet" this spring.

Although the Key Club has had a very successful year in so far as our undertakings are concerned, we greatly regret that our original sponsor, Mr. James Julian, suffered a heart attack during the Christmas holidays and will have to spend the remainder of the current semester and next summer convalescing. Mr. Julian's temporary successor, Mr. Ralph Ballin, succumbed to a fatal heart attack on the way to school on March 8. Our deepest sympathy goes to his wife and his son, Bruce. We sincerely hope that these catastrophes do not come in three's for the sake of our present sponsor, Mr. Robert Beckerle.

A CAPPELLA CHOIR

A. C. in action!

The A Cappella Choir is one of the oldest organizations at Cleveland, and also one of the busiest. New songs are constantly being learned, and old ones reviewed for the numerous programs in which the choir participates throughout the year—the annual Easter and Christmas programs for the school, the Spring Show, the Mural Dedication Ceremony, and the Thanksgiving Program, to name just a few.

The highlight of the year for the choir was its participation in a Music Festival, given by the high schools of St. Louis. Both musical departments, instrumental and vocal, took part and presented a beautiful program based on "Spring." For the first seven weeks of the spring term, A Cappella Choir worked hard to learn the songs for the program, under the guidance and supervision of Miss Mann. Despite the fact that there were times when Miss Mann and the choir members became discouraged, our school was well represented and A Cappella came through with shining colors. Wonderful and educational experiences like these make the motto of A Cappella, "Spiritual growth and character development through music," a reality.

The Great Stone Face.

ROW ONE: Lorrin Woodcock, Barbara Miller, Alvina Llewellyn, Joyce Tomanec, Susie Warner, Karen Claus, Gloria Krause, Stephanie Leicht, Mary Jane Rogers. ROW TWO: Barry Morris, Jerry Johnson, Judy Gutmann, Jeanette Barbara Fear, Charlotte Mohr, Patricia Young, Janet Maness, Bill Gerdel, Ken Lamack. ROW THREE: Art Frank, Jasper Jones, Daniel Rodriguez, Donald Mohr, Bob Pieske, Tom Pingleton, Jim Murphy, Charles Seger.

Although the Ensemble is a very new organization, one and one-half years old, to be exact, it is already becoming an important addition to the vocal music department. It was formed by Miss C. L. Mann in January of 1959 as a small performing group to be used in place of the A Cappella choir, which frequently has more engagements than it can handle.

Already Ensemble has made a name for itself and has made several successful appearances, alone and sometimes with the A Cappella.

The programs which starred the Ensemble include the Alumnae meeting, Let's Eat Show, Parents' Association, Christmas Program, and Memorial Day Program.

Oh, what I'd do with a million!

Reputed to be Cleveland's oldest club, the Webster-Hayne Debating Society under the direction of Mr. Herald M. Doxsee is certainly one of the most lively clubs here—ask any member! At the weekly meetings, the members participate in debates, both formal and informal, and extemporaneous or "shoestring" talks. Sound interesting? Why not give it a try? The people in the club will give you any help and encouragement you may need.

One of the high points of the school year was a mock trial put on by the club for the benefit and entertainment of the student body.

In extracurricular activities the Webster-Hayners participate individually in dramatics, speech contests and tournaments, as well as many other speaking adventures.

F.T.A., in affiliation with the National Education Association, was first introduced to Cleveland in November of 1957 by Mr. R. Waggoner and is the only vocational club in the school.

During the current year, under the able sponsorship of Mr. Waggoner, the club prepared a very fruitful agenda which included field trips to the University of Missouri, Gallaudet School for the Deaf, St. Louis University, and attendance at their state F.T.A. convention held in St. Louis this year. The club also enjoyed a well rounded program of guest speakers from numerous phases of the educational field.

Meetings are held every Monday evening after school in room 213. All interested students are welcome to attend.

ROCKET CLUB

The Cleveland High School Rocket Club has been in existence since 1957 under the sponsorship of Mr. Billy Almond, a well known geography and physiography teacher. Over half of the launchings have been successful and some of the failures hardly have been equalled in many fireworks displays. The club has its problems, however; and among them is a large permanent launching site. The club welcomes all students interested in rocketry. The safety standard is very high, and, so far, the safety record is perfect. The officers are Alex Barlows, President: Richard Emde, Treasurer; and Leslie Krieger, Secretary. The meetings are held every Friday after school in room 210.

Rifle Club in action

Most of us are satisfied to learn how to shoot well without needing any particular incentive. However, as our skill develops, all of us like to be able to show something to our friends indicating what we have accomplished in our chosen sport. The best way for a young rifleman to get the most out of the junior shooting program is by being a member of an organized junior rifle club.

Our Cleveland Rifle Club and Teams have been developed to bring out those qualities of sportsmanship, fair play, manliness, self-control, and co-operation so essential to success in life.

The Greater St. Louis High School Rifle League Teams are: Beaumont girls and boys; Christian Brothers College boys; Country Day School boys; Ferguson High boys; O'Fallon girls and boys; Southwest boys; and Cleveland girls and boys.

Under the leadership of Mr. Briggson, the Pep Club meets on alternate Mondays in Room 113, to promote school spirit and arrange pep sessions before and after important games or meets. This year the Pep Club dressed in white and sat in a group cheering the team on. During the past year, to boost school spirit and tradition, the members have promoted the sale of Cleveland Buttons, Cheer Books, and Orange and Blue Shakers. Any girl is invited to join the Pep Club.

LETTERMEN'S CLUB

ROW ONE: Bill Martin, Lee Kreh, Charles Seger, Al Kemp, David DeWalle, Gary Desnoyer, Don Shipp, Bob Kapps, John Heil, Patrick Duggan, Wilbern Grove. ROW TWO: Bob Hoover, Gene Murray, Wayne Roth, Bill Kunes, Bruce Malchow, Mike Henties, Charles Hogan, Ron McKee, Gary Halls, Bill Heckenberg, Dennis Wacker, Albert Conway, John Houston, Gary Karakas, Philip Noll. Membership in the Letterman's Club is limited to those boys who have earned a varsity letter in a sport approved by, or which receives benefit from the St. Louis Public High School League. These sports include football, basketball, baseball, track, cross-country, swimming, tennis, and gym teams.

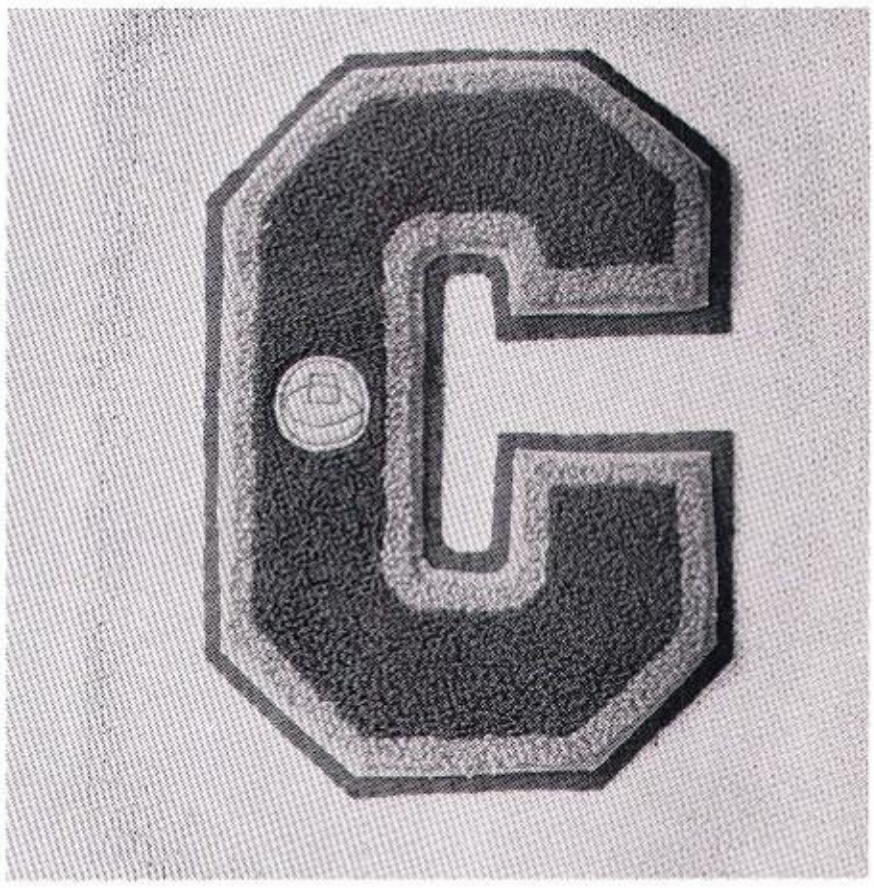
The club is one of the relatively new organizations around school, but it is an ever growing one. At present its membership totals about 100. The main goal of the club is to raise funds to send our track, baseball, and other athletic teams to various meets around the country, and to promote better sportsmanship among the boys and schools.

As with any club, strength is in numbers and only with 100 percent active membership can the club be 100 percent effective. Thus, all lettermen are urged to submit application for member ship in this ever growing club.



SPANISH CLUB

ROW ONE: Barbara O'Brien, Dan Rodriguez, Joan Johnson, Eric Emde, Sandra Faour. ROW TWO: Mr. Hall, Nancy Dixon, Carol Schuessler, Joyce Garcia, Susan Chaphe, Barbara Kraft, Rosemarie Vassallo, Jacqueline Steinhauer, Bill Tessmer.

Pase ustedes (come in), is the hearty salute all new members receive on their first journey to room 4 at 3:20 P.M. El Club de Español, under the congenial and able leadership of Mr. Hall, congregates on the second and fourth Wednesday of each month. The only restriction on members is that they be students of Spanish.

Spanish games, recordings, music, and films constitute the main enterprises of El Club de Español that cultivate in students of Spanish an interest in South American language, customs, and culture.

Half partner in a Spanish Christmas party is Webster-Hayne, which contributes the brawn that breaks the piñata. The one non-Spanish activity is the spring picnic also with Webster-Hayne.

This is not meant to alarm you, but it is suggested that you close your eyes while passing room 4, so that the dazzle of the newly made flags of the South American countries doesn't blind you. This project was undertaken when old model flags attained the vulnerable age of retirement.

NEW UNIFORMS FOR CONCERT BAND

A colorful and welcome addition to this year's Concert Band were new uniforms, the first in forty-two threadbare years. Proudly displaying their new clothes, the band members participated in many shows and concerts. Perhaps the most important of these shows was the Festival of Bands given early in January. Featured in this festival were several well-known entertainers and dance bands. An all-girl band, the Tonettes, provided a different variety of music for the delighted audience. During the spring season, band members took active part in concerts, dances, and the annual Clean-Up-Parade. Different sections of the band and orchestra went on several tours to the elementary schools in this area, while the more experienced musicians also participated in the Spring Show. Asked to comment on the success of the Concert Band and orchestras this year, Director Larry Mantese replied, "It was the best year we've ever had."

DADS' CLUB

ROW ONE: Mr. Elmer Yaeger, Mr. John Jochum, Mr. Harold Wertich. ROW TWO: Mr. John Ward.

The Cleveland Dads' Club is an organization of dedicated fathers whose purpose is to promote better relations among the family, students, and faculty. They take an active interest in the various athletic programs.

To accomplish this task takes a great deal of work throughout the school year. Leading the list are the two Letterman's Banquets held each year to honor and give recognition to both boys and girls who have participated actively in athletic programs during the year. To help raise the needed cash the yearly Card Party in the fall and the Annual Spring Carnival are held. The spring carnival is a much anticipated event which includes everything from throwing baseballs and pies to fishing in the fish ponds. Some of the funds raised at these events go toward the purchase of trophies and the buying of various pieces of equipment for the school.

CLEVELAND PARENTS' ASSOCIATION

ROW ONE: Mrs. Edward Bonham, Secretary; Mrs. Bert Mayfield, President; Mrs. Charles Loeffler, Vice-President. ROW TWO: Mrs. Arthur Couse, Patrons' Alliance Delegate; Mr. Charles Loeffler, Treasurer; Mrs. James Godsil, Corresponding Secretary. Absent: Mr. Louis Farr, Sergeant-at-Arms; Mr. Harold Austin, Patrons' Alliance Delegate.

The Cleveland Patrons' Association, an organization of the parents of the students of Cleveland High School, affiliated with the Patrons' Alliance, has as its purpose the development of co-operation between parents, teachers, and community leaders so that every student will be given the highest possible advantage in mental, physical, and social education.

Liberal donations to the band uniform fund, for art materials for the murals in the auditorium, for equipment for the archery club, for expenses for the Christmas vesper service, and for a television set were made by the group this year. In addition to having a social hour following every meeting, the group provided refreshments for both Freshman Night activities. Desiring to promote academic achievement, the organization honored top ranking students of each graduating class with an honor award dinner.

Fund are secured through a membership drive each term and the annual card party.

"The team did better than expected this season, but due to mid-season injuries and inexperienced players their record did not turn out too well," exclaimed Coach Ray Cliffe.

Although the record, (2-5-2), that our tough but inexperienced squad built up was not very impressive, the games were exciting and the victories well deserved.

Under capable leadership of Captains Rich Charlton, Dave DeWalle, Sonny Fauss, and Garry Halls the Dutchmen rallied in their traditional battle with Belleville. Having been crushed by Webster, the team bounced back to defeat O'Fallon and revealed their superb strength. After tying Soldan and Beaumont, the Dutch proved to be pregnable and the victories were brought to a halt.

Boosting the team were Rich Charlton, Bob Kaps, Rich Gilson, and Emil Fett, the latter being injured in mid-season play. Rich Charlton was elected by the team as most valuable player and Bob Kaps was elected the most improved player through the season.

The team has progressed steadily and many of the boys feel that, with the firm guidance of Coaches Ray Cliffe and Ralph Kirn, the Dutchmen will be strong competitors next year.

"B" Team football was very successful this year even with the loss of seven members who played varsity ball.

Under the direction of coach, Pete Mercurio, the squad ended their season with a very impressive record, 4-3.

Mr. Mercurio feels that next year the team will increase in speed and strength and exceed their achievements of this season.

VARSITY BASKETBALL

This year's squad of Castle Cagemen was marked with the return of many of last year's senior players. Included in this list were Bill Haag, Gene Simons, Bruce Malchow, Ken Romines, Doug Kulik, Gary Woods, Bill Martin, and Bill Matan. The team was also sparked by several other returning players and several first-timers. With the expert coaching of Coach Jansen and the able management of the student managers the squad turned in a very impressive record of 8 wins, 2 losses. However, even with this record it was not quite enough for first place in the Regional Playoffs. The team with all of its fighting and cheering from the cheerleaders and loyal Clevelandites was, however, able to come up with a 3 way tie for first place in the Public High League with trophies going to Roosevelt, Vashon, and Cleveland. Going on to the Regionals we took a very honorable second place failing to the hands of St. Louis High.

The entire league was marked with fairly even scoring with no one school with a very large lead for first place as evidence of the 3 way tie for first. Our squad was very strong in rebounding as well as speed. It is strongly hoped that next year the team will go on to take home the bacon from the state.

Along with the first place Public High League trophy the entire school helped capture the very respected Philip J. Hickey Sportsmanship Award for good sportsmanship and conduct among the players as well as the spectators at all the games. This helped to make up for the first place defeat in the Regionals.

The "B" Team Bucketeers didn't quite succeed in doing as well as Varsity, coming in second in league play, with a record of 7-3.

Although being eliminated in the "B" Team tournament their overall record of 13-6 was impressive.

Leading the team with high averages and wonderful rebounding were Terry L'ange and Russ Rosenow. Coach Nebel feels that many of the boys will make good material for varsity ball.

GYM TEAM

About one and one half years ago, the Cleveland Varsity Gym Team had to disband, due to the fact that there were not enough high schools interested in gymnastics to form a competitive league. However, at Cleveland the spirit of gymnastics was still strong and with the help of "Doc" Singer, the gym team sponsor, a boys' gymnastics club was formed.

Consequently, at 8 o'clock every morning about 20 boys can be seen tramping to the boys' gym for a workout. Their practice area is well equipped, and the apparatus includes parallel bars, rings, side horses, a trampoline, and mats.

The boys practice hard and diligently such things as "cut-aways," "hip-circles," and "peach-baskets," "fly-ways," and "giants." Despite the hard work to improve failures they have, the Cleveland gymnasts, led and inspired by "Doc Singer," are still interested in reviving gymnastics in the St. Louis Public High Schools.

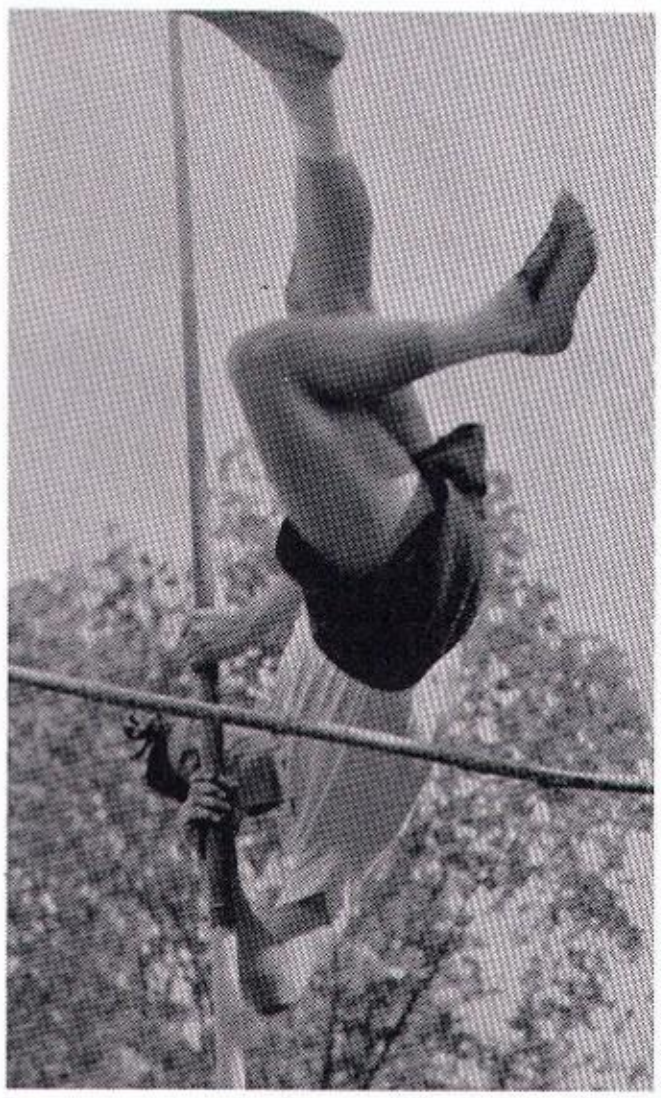
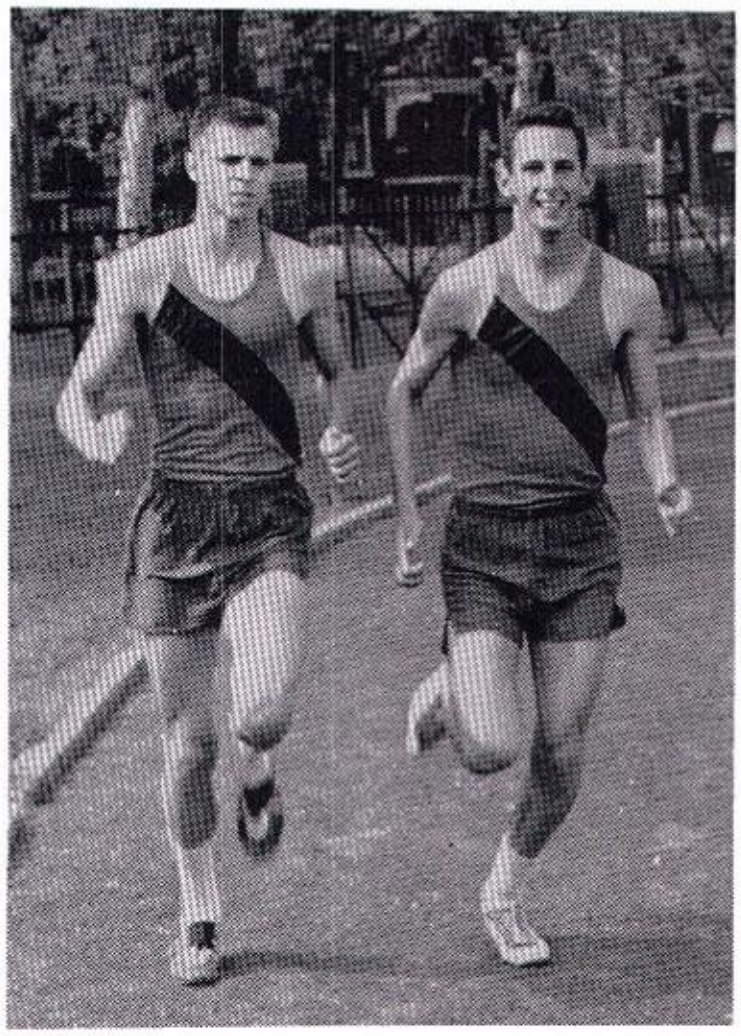
SPRINTING CINDERMEN



To descend or not to descend, that is the question.



So what if we are two laps behind!

The track team stormed the cinders again to be undefeated now in twenty-five consecutive dual meets in the last two and one half years.

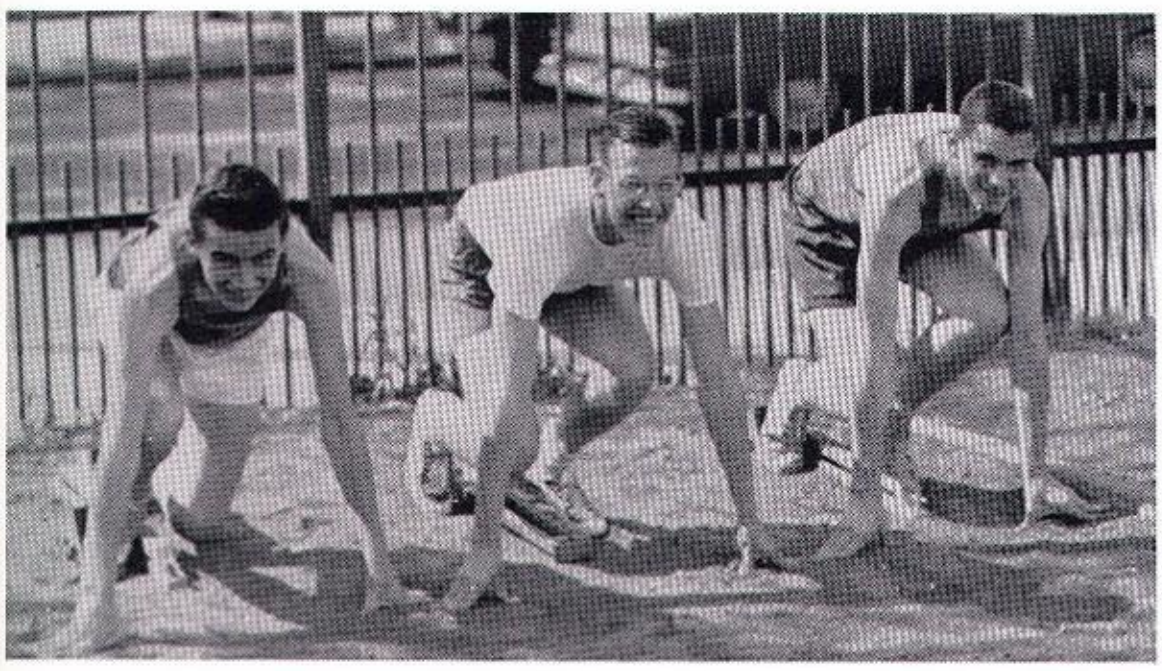
The South Side Meet, first big meet of the season, was commanded by the Dutch Cindermen. The seniors won their division and the team as a whole won first place. Due to their perfect teamwork and ability the team presented Cleveland with the first two track trophies won in twenty years.

The District Meet followed and the Dutchmen again showed their superb strength, coming in sixth out of forty schools entering the competition.

Fired by Coach Pete Mercurio, the team went to the State Meet and turned in a remarkable demonstration, finishing eighth out of all the schools in Missouri. Usually about six boys from St. Louis win the honor—All State; last year five of those boys were from Cleveland.

To finish the season the team entered the City Meet, taking fourth place and Dale Collier breaking a record that had stood for twenty-nine years. The Dutchmen not only began the season with a dazzling performance but also ended with an enviable record.

When Coach Mercurio was asked about the team he stated, "I believe there were many who might make Olympic material."



Hi, Mom! Hi, Dad! Hi, everybody!

This year's team, under the fine coaching of Mr. Robert Beckerle, had a very successful season. With captains Bill Martin, Bob Stull, and Jim Warner leading the way, Cleveland took fourth place in the Public High League with a record of 6 wins and 3 losses. Bob Stull and Jim Warner both received medals for their fine running in the District Meet with seniors Bob Stull, Jim Warner and John Houston leading the way. The prospects are bright for 1960 with four returning lettermen: Bill Martin, Lee Kreh, Ron Kline and Thomas Clay, all of whom are looking forward to a very successful year.

Last year the varsity baseball squad combined ability and teamwork to win the city title. The tremendous winning streak was halted only once when the Roosevelt Rough Riders squeezed out a breathless victory against the Dutchmen.

Contributing to the success of the team were Gene Simmons, Bruce Malchow, and Roger Wattler whose pitching proved very successful during moments of desperation.

The "B" Team baseball squad had a tremendous season last year undefeated in league play. Their remarkable record of 14-0 won them the right to city championship.

Dan Rudanovich and Jerry Weber helped win many victories for the team with their superb pitching ability.

Forming the boys into a precision squad were Coaches Norman Carlson and Earl Jansen. Both were very proud of the boys' achievements.

For the past year the Beacon Staff has been working to piece together the 1960 edition of the Beacon. In order to accomplish this large and seemingly endless task requires a lot of work on the part of the staff.

It all begins with the laying out of the pages. Then the photographers take over and begin taking all the necessary pictures of the various groups and activities which comprise the book. Next, each organization is given a write-up, and a final layout of the page is made. Then the typists go to work and type the sheets which go to the publisher. This may not seem like a lot of work, but when 170 plus pages are concerned it is quite an undertaking. Also included in this job is the Beacon Art Staff which draws the funny cartoons found on many of the pages, as well as the division pages such as the introduction, seniors, and activities.

Much of the credit goes to the editor and co-editor, Dan Paxton and Louise Lobrano. Also a special thanks goes to Mr. Marchesseault without whose sponsorship the staff would be unable to complete the Beacon.

It is hoped by all of the staff that you will enjoy reading this 1960 Edition of the Beacon and in the years to come that you will look back over it and recall many happy experiences here at Cleveland.

We were very fortunate to have on our Beacon Art Staff two girls who were Art 8. These two, Marilyn Gergs and Charlene Kubernat, gave exceptional leadership which added to the quality of the art and dignity to the staff.

As a whole, this year, it has been an exceptionally talented art staff. We hope that the student body enjoys the pictures as much as we enjoyed drawing them.

Throughout the 1959-60 semester the Orange and Blue Staff has endeavored to carry on the excellent quality which the paper has established by presenting Cleveland with wholesome news and entertainment. The issues have been filled with timely editorials, school projects, and occasional humor.
